ROLE DESCRIPTION

Assistant Tour Leader

Key duties Duties occur during three phases: pre-tour, tour and post-tour. You will receive Standard Operating Procedures (SOPs) for these phases. Here is a summary of key duties that the Tour Leader will assign to you:

Pre-tour

- check, allocate and weigh equipment, gear and food
- prepare the vehicle (petrol, water, tyres, oil, windscreens, spares, emergency equipment, etc)

Key duties (cont)

Tour

- report and respond to any client health and well-being problems according to the SOP
- help set up camp, assist clients with tents, bedding etc
- help prepare food and clean up after meals
- adhere to “minimal impact”, hygiene and safety principles
- help train Tour Assistants in camp set-up and other tour responsibilities

Post-tour

- complete tasks as assigned by Principal

You may be required to assume tour leadership if the Tour Leader is unable to continue in that role. Wherever possible, TWE’s Principal will discuss and confirm the circumstances and associated responsibilities. If the Tour Leader becomes incapacitated on tour, the Tour Assistant must assume the Leader’s responsibilities and initiate the Emergency Response SOP immediately.

Performance evaluation

You will evaluate your own performance for each tour and receive feedback from clients and the Tour Leader or Principal. You are expected to offer suggestions on how you and TWE can improve overall performance, efficiency and client satisfaction.
